

REMARKS

With the above amendments, the specification has been amended to incorporate the PCT and European priority applications by reference. Claims 1-20 have been cancelled and new claims 21-40 have been added to place the claims in better form for examination. No new matter has been added.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for applicants.

Respectfully submitted,

GRiffin & Szipl, P.C.
